Sir,

We the Cycle Orderlies of the General and Revenue Secretariat beg to represent that we are called upon for work at any time during day or night on special occasions.

2. When so employed we are put to difficulties by the Police and Municipal authorities at toll gates and other places; and as we do not wear any official badge to shew that we are on Public Duty, we find it frequently necessary to satisfy them that we are Government orderlies doing Government work before we are allowed to proceed.

3. By way of avoiding this frequent cause of delay in doing our work we respectfully pray that we may be furnished with a small badge (Silver) bearing the Mysore Royal Coat of Arms above the legend as shewn in the accompanying specimen. (The design).

We beg to remain,

Sir,

Your most obedient servants,

and enquiring if the insertion of the letters G—R.S. under the tail of Gandabherunda is necessary.

Since some of our Beka Gravers are doing only in the Devan's Office, "G—R.S." would not be appropriate in their case. We may therefore delete these letters. Moreover it may look somewhat clumsy to have too many inscriptions on the badge.

4/1/11 The objection raised above is not insuperable as the clerical establishment working in the D.O. forms part & parcel of G.R.S. establishment.
